### **Historic Virtual General Assembly of World Taekwondo**

Dear World Taekwondo Family,

I wish to thank you for your participation during the virtual General Assembly on October 6<sup>th</sup>. This was a historic first-ever virtual General Assembly. I was particularly pleased with the attendance of more than 300 delegates from 137 Member National Associations, making this the largest General Assembly in WT history.

Your active participation over the months, most noticeably for the MNA Survey and e-votes, have helped WT to strive forward in making decisions that have positive impact on our organisation's integrity and governance.

Furthermore, we heard from ASOIF President Francesco Ricci Bitti on governance in the Olympic Movement and WT's achievements at the third ASOIF Governance Survey. As President Ricci Bitti said, we are outperforming other Olympic international federations. I would like to thank you for your joint efforts in making WT achieve an A2 rank; let's aim for A1 in the next review!

I wish to reassure you that, despite the challenging times, we will continue to inspire and promote fair play and integrity, both on and off the mat. In this regard, I ask for your continued active participation and support as we propel WT to even greater heights.

Together, stronger. I wish everyone the very best in your endeavours and in health.

Sincerely yours,

Chungwon Choue  
President
